The God of heaven, He will prosper us; therefore we His servants will arise and build . . . For the Lord will do great things . . . I am the Lord your God, and none else: and my people shall never be ashamed.

In this yearbook you will see how the building program of Grace Seminary and College is being carried out, not only in bricks and mortar but in the lives of young people. Our theme, BUILDING FOR THE FUTURE, suggests especially that building described by St. Paul in Eph. 2:19 - 22.

Now therefore ye are no more strangers and foreigners, but fellowcitizens with the saints, and of the household of God; and are built upon the foundation of the apostles and prophets, Jesus Christ Himself being the chief corner stone; in whom all the building fitly framed together groweth unto an holy temple in the Lord: in whom ye also are builded together for an habitation of God through the Spirit.

DEDICATION

After serving as a pastor for sixteen years, Dr. James L. Boyer came to Grace Theological Seminary in 1950 to work for the Th. D. degree. His official connection with the school began just one year later when he was made Financial Secretary of the Board of Trustees. At that time he also began teaching Greek and Science courses. Today, he continues as Financial Secretary and as Professor of Greek.

The many students who attend Winona Lake Brethren Church have known and loved him as their pastor this year. They have appreciated his able expositions of the Word and the deep truths which he has unfolded from it. All the students have observed the quality of his life in which the Christian virtues are evident. He is a man of kindly disposition, of great humility, of genuine devotion to Christ. In grateful appreciation of his example, we dedicate this 1957 GRACE to Dr. James L. Boyer.

For we have great joy and consolation in thy love, because the hearts of the saints are refreshed by thee, brother.

SIXTH ANNUAL BIBLE CONFERENCE

With great interest and spiritual blessing we enjoyed the "Bauman Memorial Lectures" given by Dr. Orville Jobson.

His lectures were concerned with the history of the Brethren Missionary work in Africa.

Messner inactive

Grace College athletic director Dick Messner carried with him a lengthy record of sports achievement when he took over the post two years ago. An all-state basketball and baseball star at Ashland, Ohio, high school, Dick went on to become a starting forward on championship Wheaton College cage teams, and an outstanding right-handed college hurler. After Wheaton, were two years of professional baseball under contract with the New York Giants. With hard work, Dick has seen a steady buildup of the Ambassador athletic program, expects further progress as the college grows, and as the new gymnasium rises muscally from nearby green pastures.

INTRAMURALS

FOOTBALL

The first intramural contests were played shortly after Grace opened its doors. A league of five teams was organized and two rounds of play followed.

The team led by Joe Middleton finished, winning the championship. The team included: J. Middleton, C. Stoner, J. Rathbun, B. Monroe, R. Runion, L. Garber, P. Landrum, and D. Bonebrake.

FALL

A day filled with plenty of fun and activities was in store for the Grace Seminary and College students as they headed for the beautiful camp site at Crystal Lake. The Fall Retreat was underway!

Food was served cafeteria style and a tasty menu was supplied by Ralph Tucker.

RETREAT

Boating, ping pong, volley ball, and archery were enjoyed by all. Although the college students worked hard, the Seminary students won the victories of the day in football, softball, and the track events.

Prayer, scripture, special music, and an inspiring message by Dr. Ogden completed the events of that big day.

Posters and skits spurred the students on toward their goal of \$4000 for the building fund. When the checks were presented, the Seminary students had given \$1984.31, and the College students had given \$2282.06 for a grand total of \$4266.37.

On March 21 the students and many friends of the school gathered for the ground-breaking ceremonies. After an inspiring address by Dr. Glenn O'Neal, the first shovelful of earth was turned by Dr. McClain. It is planned that this building, the gymnasium, will be ready for use by the fall of '57.

SEMINARY WOMEN'S FELLOWSHIP

Inspiration, fellowship and sharing practical ideas were the goals of Seminary Women's Fellowship. A "Hobby Fair" opened the year's programs with each wife exhibiting her hobby or favorite pastime. The third Wednesday of every month found the Chapel busy with activity, including singing, special music, exchanging recipes and household hints. During Prayer-time requests and praises were brought to the Lord, and learning Scripture at Memory-time proved profitable.

Highlight of the year was the "Husbands' Night" when all husbands were honored with a special program with Dr. Alva J. McClain as speaker.

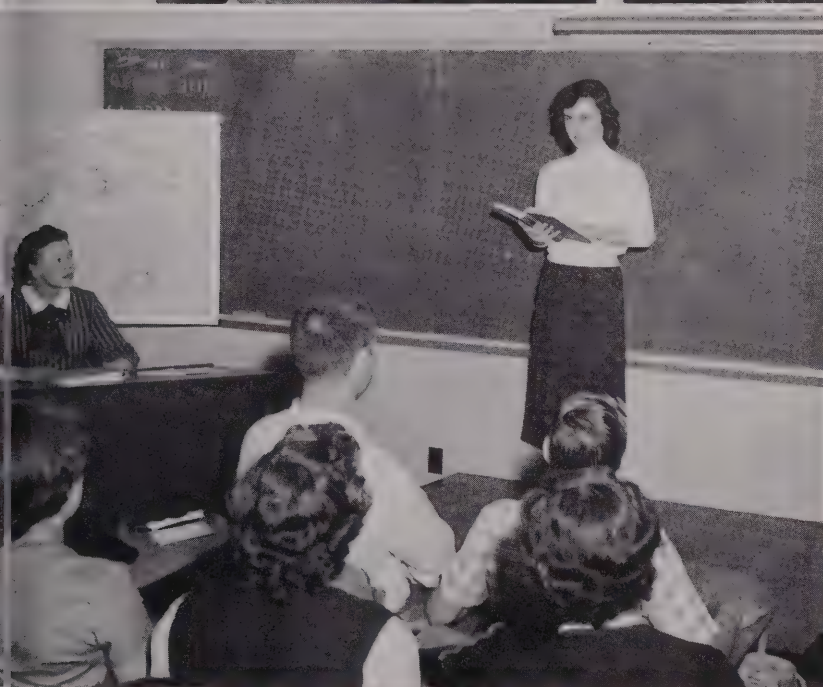

(Left to right, seated) Faye Dice, Marian Brock, Chairman, (standing) Lucille Clinton, Elaine Bearinger, Joyce Durkee, Patty Watts, Dorothy Hein, Amy Martin.

SHOWER COMMITTEE

(1st row, left to right) Suzanne Smith, Barbara Amstutz, Judy Russell, Anne Jeffers, Joan Snell, (2nd row) Janice Miesel, Evelyn Malaimare, Joan Franchino, Evelyn Hancock, and Betty Platt. Chairman.

The Stork Showers are an organization composed of all College and Seminary wives for the purpose of honoring all those who are expecting new babies. Each month a shower is given, and everyone enjoys fellowship, fun, and food.

FRESHMAN BANQUET

The freshman banquet was one of the highlights of the year. Over one hundred students made the trip to Honeywell Memorial Auditorium.

"Believe I will have another big orange."

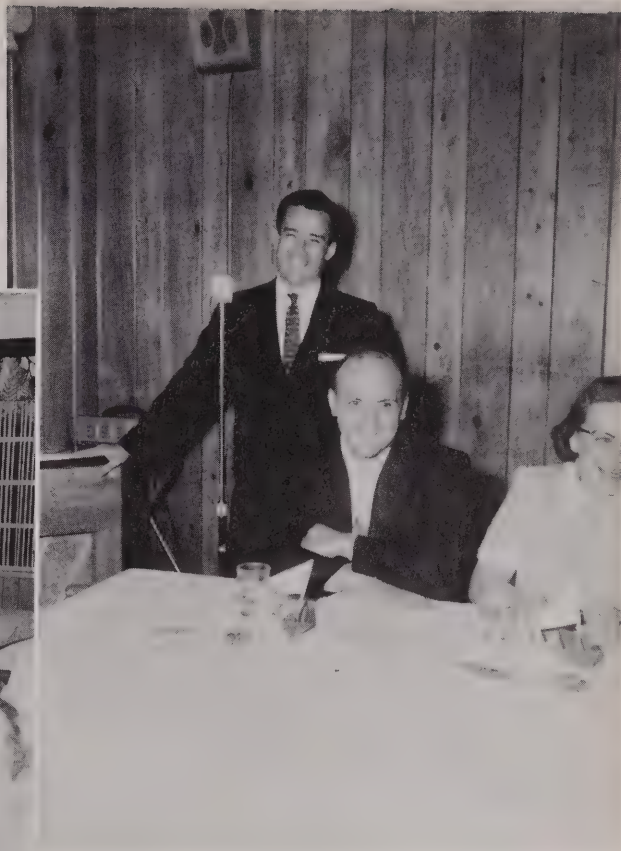

"Now back in West Virginia, I..."

Jim Custer was our efficient master of ceremonies. We enjoyed the best in musical talent from our most capable Grace musicians.
